

Business & Professional Opportunities

Undiscovered opportunities await.

Yes, it is possible to have the best of both worlds! With readily available internet service and affordable real estate, entrepreneurs in the region are able to do business with clients from around the world.

Find a place to live that lets you be independent and free from the rush and congestion of the city. Become part of the Robson Valley Region and realize the quality of life that a small community like this can offer you.

This is a place where citizens value and support locally owned businesses. Independent entrepreneurial people live here and reap the benefits of rural life and a strong community. A work-life balance can truly be achieved with a greater quality of life.

Consider relocating or expanding to the Robson Valley Region in beautiful British Columbia. If you are a professional with highly transportable skills, exciting opportunities abound in these sectors:

- Agriculture, forestry, fishing and hunting
- Retail trade
- Transportation and warehousing
- Manufacturing

- Construction
- Professional, scientific and technical services
- Mining quarrying, and oil and gas extraction
- Real estate, rental and leasing
- Finance and insurance
- Information and cultural industries
- Utilities
- Wholesale trade
- Management of companies and enterprises

The Robson Valley Region can provide many of the essential requirements that business professionals seek:

- A better quality of life
- Services and amenities to achieve work-life balance
- Access to telecommunications services
- Healthy environment - clean air and water
- Outdoor recreational activities
- Affordable land and housing
- Access to workforce

The area has many of the amenities that independent business professionals are looking for:

- Reasonable, affordable housing
- Access to transportation – road, air, and rail
- Suitable medical services
- Friendly and safe community
- Clean environment
- Scenic area
- Recreational opportunities
- Volunteer opportunities
- Local services

Robson Valley Region welcomes all newcomers and makes every effort to involve them in community life. Combine this with the numerous services, superior scenery and recreational choices the area offers – and you have a quality of life that makes an attractive option for business professionals.

Telecommunications

Broadband and cellular telephone service are available in McBride and Valemount. The network covers a wide area using different wireless frequencies to enable line-of-sight, satellite and hard-wired transmissions. Therefore most areas are accessible, including ADSL.

Commercial Buildings and Land

Office and commercial space are available in either McBride or Valemount. Home offices are also common.

Elementary and Secondary Schools

Both Valemount and McBride have schools for students from grade K - 12.

Health Care Facilities

Valemount has a health centre and McBride has a hospital offering full patient care.

Emergency Services

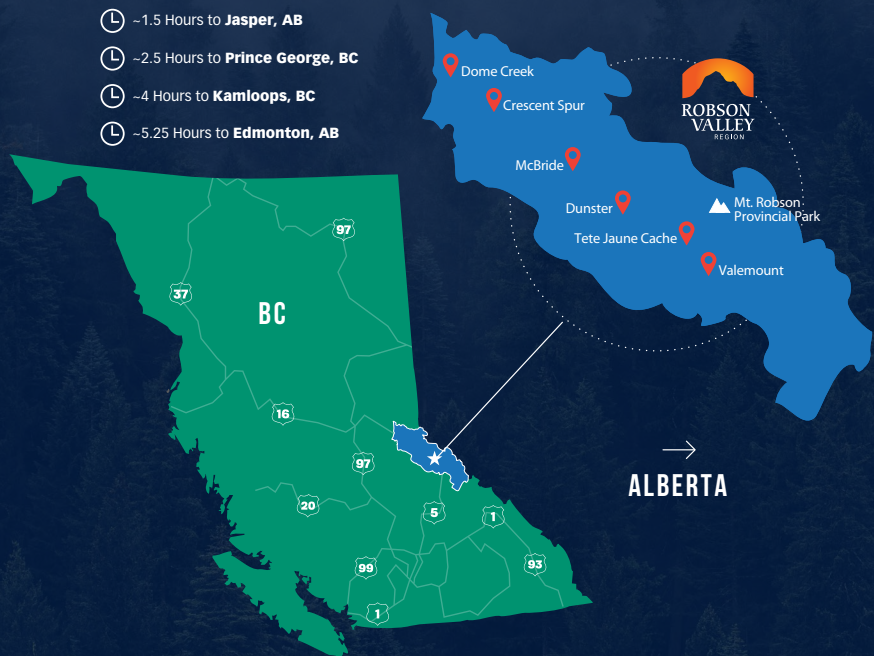

Local fire and emergency services, with region-wide enhanced 9-1-1.

Recreation and Cultural Facilities

For communities of this size, the region has tremendous recreation and cultural offerings. This is especially the case when it comes to outdoor recreation, and ready to access facilities. The RVR is well served with museums, galleries and an active arts community.

Housing Availability and Cost

The average housing cost in Robson Valley Region is lower than that of the province, as well as neighbouring areas.
